The greengrocer

A customer comes into your shop.
Follow the model. You can use the prompts in the box and the picture on the reverse to help you.

› Greet the customer and ask what he/she wants.

› Give him/her the apples and say what they are like. Ask if he/she wants any other fruit or vegetables.

› Give your customer the pears and offer him/her other fruit and vegetables. Show him/her your produce.

› Answer him/her and say what they are like.

› Give the price.

› Ask the customer how many peppers he/she wants.

› Ask the customer how many courgettes he/she wants.

› Answer that the courgettes are on special offer and are organic.

› Say yes.

› Give the total cost. Take the customer's payment and hand over the produce.

› Say thank you and goodbye.

**The fruit and vegetables:** fresh, organic, delicious, ripe, perfumed, tasty, juicy.
The prices: on (special) offer, a kilo, per 100 grams, for a carton, each.
